नं. 7/2/2008

Dear Mr. Das,

Please refer to this Department's letter No. 3(4)/2007-Py.IV dated 6th December, 2007 (copy enclosed) in which State Government was requested to ensure proper implementation of Rice (Stock Declaration by Companies or Firms or Individuals) Order 2007 which was issued by the Central Government on 27.11.2007 under section 3 of Essential Commodities Act, 1955. This Order provides for mandatory submission of returns by a company/firm/individual who purchases paddy (in terms of rice) or rice in excess of 10,000 metric tones (total purchases made throughout the country) during the Kharif Marketing Season 2007-08 (October 2007 - September 2008) to Secretary (Food) of the State from where maximum quantity has been purchased, in the form and at such intervals as may specified by the Central Government. In case, the purchases of paddy (in terms of rice) or rice exceed 25,000 metric tones (total purchases made throughout the country), the return in the form at the specified interval shall be made to Central Government. The State Government with whom returns are filed by private companies/individuals are required to submit a consolidated monthly report to Government of India by 10th of every month.

2. This Order was issued to check hoarding and prevent possible evasion of taxes. The State Governments have to play a pro-active role to ensure that proper returns are filed by the private trade. However, we have not received any report from the State Government as required by the Rice (Stock Declaration by Companies or Firms or Individuals) Order 2007.

3. I would request that immediate action may be taken by the State Government to ensure proper implementation of this Order and also furnish to this Department a consolidated statement (by 10th of every month) giving details of the returns filed with State Government.

Yours sincerely,

(T. Nanda Kumar)
